

ARUM BARUT COLLECTION SUSTAINABILITY REPORT 2022

We owe every breath we take to the nature.

We, as Barut Hotels, are aware of it, and keep going to raise the level of awareness. We take justified pride of being an important stakeholder of the sustainable and environmentally-friendly tourism approach.

With We Care All, the environmental policy of the Barut Hotels, we provide new contributions to sensitive hotel management concept with each passing day.

What is We Care All?

We Care All is the environmental awareness project developed by Barut Hotels in 2019.

Aiming to minimize use of environmentally-hazardous materials as much as possible, our Group pays utmost attention to use all natural resources more efficiently and carefully.

SOLAR ENERGY

Thanks to the solar energy panels, which have been regularly maintained since the establishment of the hotel, 10% less LNG consumption is provided for water heating.

WATER

While the water consumption per person was 1.01 m³ in 2021, the water consumption per person was reduced to 0.55 m³ with the newly constructed irrigation systems in 2022.

WATERING SYSTEMS

Water consumption decreased from 94.087 m³ in 2021 to 79.187 m³ in 2022 with the addition of automatic timed valves and the transition to the drip and sprinkler method in the irrigation system.

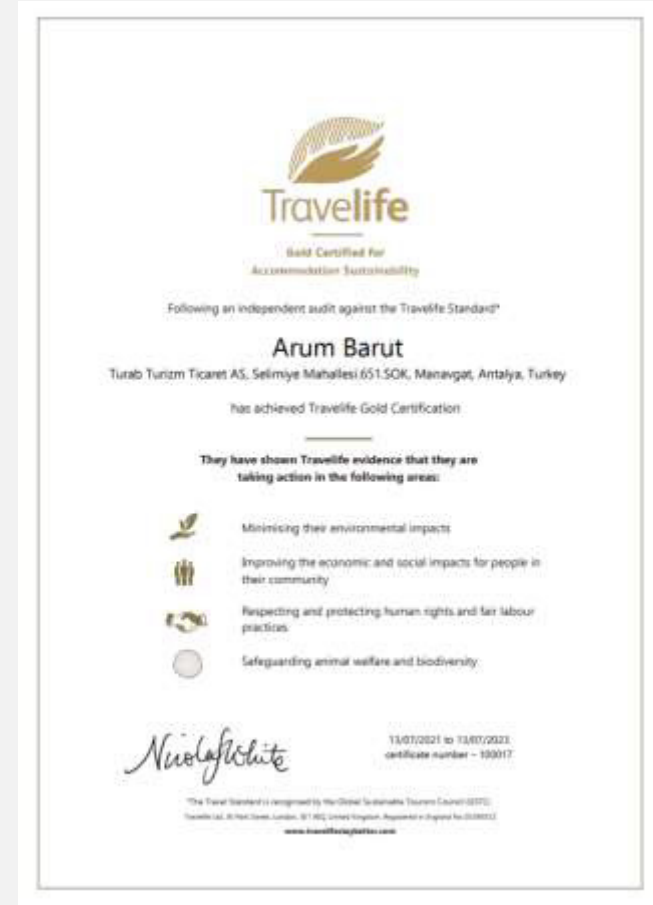

FUEL

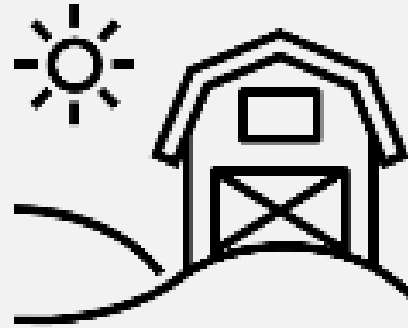

While we consumed 1415 liters / year with the gasoline vehicle we used in 2021, 1003 liters / year of gasoline was consumed by switching to hybrid vehicle usage in 2022.

ENVIRONMENT

Our environmental award received as a result of inspections carried out with certain periods:

ANIMALS

While the amount of organic waste going to the animal shelter in 2021 was 47.100 kg, it was 111.130 kg in 2022.

SPONSORSHIP

By establishing a computer room in Arpaçbahşış Vocational and Technical Anatolian High School, it has been ensured that the technology needs of generations have been met.

EMPLOYEES

While the average number of our annual staff in 2021 was 256, in 2022 it was 290 people.
